

BIA 2 – Rural Safety and Regional Access Project
Lakota Freedom Veterans Cemetery Site Photos

The Lakota Freedom Veterans Cemetery serves the Oglala Sioux Tribe and is located 8 miles east of Kyle, South Dakota along BIA Route 2 and within the project limits. The Veteran’s Cemetery was constructed in 2014 and was the 2nd Tribal Veteran’s Cemetery in the Nation. The existing entrance to the cemetery has very low sight distance looking east.

Entrance of Veterans Cemetery looking east – bad sight distance
